

NexTier Changes Time of Second Quarter 2020 Earnings Release and Conference Call

HOUSTON, Aug. 3, 2020 /PRNewswire/ -- NexTier Oilfield Solutions Inc. (NYSE: NEX) ("NexTier" or the "Company") today announced that it will host its second quarter 2020 financial and operating results conference call at 7:00 a.m. Central Time (8:00 a.m. Eastern Time) on August 4, 2020. The new call time is 30 minutes earlier than previously announced to limit conflict with a peer company's earnings conference call. Details to access the conference call, which are unchanged, are included below.

The call can be accessed via a live webcast accessible on the IR Event Calendar page in the Investor Relations section of our website at www.nextierofs.com, or live over the telephone by dialing (855) 560-2574, or for international callers, (412) 542-4160 and referencing NexTier Oilfield Solutions. A replay will be available shortly after the call and can be accessed by dialing (877) 344-7529, or for international callers, (412) 317-0088. The passcode for the replay is 10146668. The replay will be available until August 11, 2020. An archive of the webcast will be available shortly after the call on our website at www.nextierofs.com for twelve months following the call.

The release timing for NexTier's second quarter 2020 financial and operating results remain unchanged for after market close on Monday, August 3, 2020.

About NexTier Oilfield Solutions

Headquartered in Houston, Texas, NexTier is an industry-leading U.S. land oilfield service company, with a diverse set of well completion and production services across the most active and demanding basins. Our integrated solutions approach delivers efficiency today, and our ongoing commitment to innovation helps our customers better address what is coming next. NexTier is differentiated through four points of distinction, including safety performance, efficiency, partnership and innovation. At NexTier, we believe in living our core values from the basin to the boardroom, and helping customers win by safely unlocking affordable, reliable and plentiful sources of energy.
